25X1 6. ([redacted] - JGO) Messrs. Maury and [redacted] met with Mr. B. Benton Bray, House Manpower and Civil Service Subcommittee staff, who advised that hearings on S. 1035 and H. R. 17760 will be concluded at noon on Wednesday, 17 July. Organizations that had requested a chance to appear after that date are being advised to submit statements for the record. He noted in passing that the principal union witness that appeared this morning felt that in his opinion national security agencies should be excluded from the legislation.

Received back from Mr. Bray a classified document which had been furnished for inclusion in the transcript file.

25X1 7. ([redacted] Talked with Senator Kuchel and advised him that Mr. Donovan had some thoughts about the Pueblo matter and would be happy to meet with the Senator in Washington next Thursday. This appeared to be satisfactory to the Senator at the time. Later in the day he called, however, and said he was planning to take some time off the latter part of next week and asked that we hold off on making any arrangements with Donovan until he has an opportunity to check back with us early next week.

The Senator expressed frustration over the fact that the Senate was not really working and said to "tell the boss" that he was becoming increasingly convinced that the Congress would have to recess for the political conventions and return in September.

25X1 8. ([redacted] - RW) Barbara Rathe, in the office of Representative Hale Boggs (D., La.), called regarding appointments which had been previously arranged by this office for [redacted] 25X1
[redacted] for 2:00 p.m. tomorrow. This time subsequently was found to be inconvenient. A new time of 11:00 a.m. was arranged with the office of [redacted] Personnel, and confirmed with Miss Rathe. 25X1
